

Marymoor Community Gardeners Association

2018 MEMBERSHIP CONTRACT

Welcome! The Marymoor Community Gardeners Association or "MCGA" is a non-profit gardening organization, operating in Marymoor Park through a concession agreement with King County Parks. MCGA is required by King County Parks System to provide administrative oversight, insurance, and some maintenance of the garden site.

The MCGA is open to the public, for an annual user fee plus a community service commitment. Gardeners agree to follow all King County Park rules, and MCGA rules included in this contract.

In addition to being a gardening resource for our local community, MCGA operates a 4,000+ square feet of garden space to provide produce for Hopelink's food bank.

MCGA has been operating as an all-volunteer association since 2003. That spirit of volunteerism is what makes us a success today! We look forward to gardening with you.

Please read the following carefully and return the signed agreement page with your application. Please return the last two pages along with your payment. If you have any questions or comments, please email the MCGA Board of Directors at mcgaboard@gmail.com.

RULES (The full set of Rules are on the website: (www.marymoorgarden.org)

a. CONDITIONS OF MEMBERSHIP

The requirements to be in good standing are:

1. Plot fees of \$75.00/full plot and \$37.50/half plot are fully paid up.
2. Annual community service requirement: 8 hours per full-size plot, and 4 hours for half-size plots. Community service hours are to be completed and reported by the final work party of the season.
3. Cultivation deadline is May 1st and plots must be weeded and maintained throughout the season.

b. CONDITIONS OF TERMINATION

1. Failure to comply with the conditions of membership.
2. Verbal abuse will not be tolerated.
3. Removal of vegetables, flowers, or garden equipment without the renter's consent, as well as intentional damage to a garden plot, is subject to prosecution in accordance with King County Ordinance 6798:7.12.550.7.

Any member witnessing or experiencing garden theft or vandalism should notify police by calling 206-296-3311 to file a report, as well as the Park Office 206-205-3661. Due to the open nature of parks and garden sites, King County Parks is not responsible for loss of garden products.

ANY GARDENER FOUND TO BE IN VIOLATION OF THESE RULES BELOW WILL BE ASKED TO LEAVE THE GARDEN AND THEREFORE LOSE THEIR MEMBERSHIP.

c. GENERAL INFORMATION

1. Growing vegetables and flowers for commercial use is prohibited, as is growing trees.
2. Gardens may be cultivated year-round (Please note: water is turned off from October 15th through April 15th).
3. Gardeners are responsible for providing their own tools. MCGA provides tools for Food Bank Garden use only.
4. Prior to building any structure in your plot, permission must be obtained from the Board. Contact mcgaboard@gmail.com. No permanent structures or pressure treated wood are allowed in plots.
5. Berries and grape vines can easily get out of control. These types of plants should be kept within a 10' x 3' area, staked or trellised, with at least a two foot path around the row to keep from encroaching on neighbors' plot.
6. MCGA is an online community too! Please visit <http://marymoorgarden.org> for the latest garden information.
7. We can also be found on Facebook simply by doing a search for marymoorgarden.
8. We also have an active blog at <http://mcgaboard.blogspot.com>.

d. REGISTRATION

1. Garden registration is open from January 1st to August 31st.
2. The maximum number of plots that a first-year gardener/family/group may rent is one.
3. The maximum number of plots a gardener/family/group may rent is four.
4. The maximum number of plots a gardener/family/group may expand to is one per year starting their second year, and they must be in good standing.
5. Returning gardeners have first preference to the plots they rented the previous year, IF their application and payment are received by February 28th and they are in good standing.
6. Gardeners may not transfer their plot(s) to unregistered parties or other MCGA gardeners.
7. If you no longer wish to garden, please notify the MCGA Registrar as soon as possible and remove all tools and plants from your garden.

e. GARDEN SAFE, GARDEN ECO-FRIENDLY.

Our community garden follows stringent eco-friendly practices. Our goal is to have a positive impact on local wildlife and the environment and to follow the rules set out by the King County Parks System. With your help, we will keep the gardens safe for future generations.

1. Repellants: The use of synthetic chemicals that act as weed killers, pesticides, fungicides, etc. are prohibited (examples include Roundup weed killer and Corry's Slug & Snail Death). However, organic methods for controlling weeds and pests are encouraged (examples include Sluggo and Safer Insecticidal Soap brands).
2. Fertilizers: The use of synthetic fertilizers in powder form or in pre-packaged potting soils is prohibited (examples include Miracle Grow powder or Miracle Grow potting soil). Organic fertilizers are encouraged (examples include composted manures, as well as plant, animal, and mineral sources of nutrients).
3. OMRI labeled repellants and fertilizers are eco-friendly.
4. Raw manure from any animal is prohibited. Manures must be fully composted. No human waste allowed.
5. Building materials: The use of pressure-treated wood is prohibited! Paint or stain must be safe for vegetable gardening and applied outside of the garden.

If you're unsure whether or not a repellent or fertilizer is appropriate for the garden, look for the OMRI logo on the product labeling. Products with the OMRI logo are safe. (See below).

COMMUNITY SERVICE HOURS PREFERENCE LIST

Please take a moment to look at the list of community service opportunities available to you this season. All count equally towards your **required 4 or 8 hours** per plot. Please remember that it is your responsibility to fulfill your hours; friends and family may also contribute to your hours.

NOTE: All volunteer activities must be pre-approved by the board.

If you have any questions about the community service hours, please contact volunteer coordinator Gia Parsons at 425-650-7030 or giaparsons@hotmail.com. Thank you for your help and cooperation.

Depending on what you chose as a community service hours preference, your name will either be placed on an email group list (food bank worker bee or grounds maintenance), **OR** you may be contacted directly by Gia.

- 1. Food Bank Section Manager** – Be a part of the food bank's leadership team. Help plan and maintain the Hopelink Gardens, a wonderful additional to the community that feeds needy individuals and families. Duties include organizing and supervising work parties plus contacting gardeners to let them know what needs attention in the food bank garden.
- 2. Food Bank Worker Bee** – Weed and water the food bank gardens during the growing season. Keep paths and work areas clean and tidy. Clean out coolers when necessary. Be on the lookout for work party emails and sign up for work parties. Keep an eye on the white board in the food bank for 'do-it-yourself' chores.
- 3. Row Monitor** – Sign up to be a part of the site leadership team. Commitments include overseeing plot rule compliance and plot use. Responsibilities include walking the rows, making notes of individual plots, and contacting gardeners via phone or email regarding their plot(s). Row monitors will work closely with the volunteer coordinator and the president. We require weekly 'check-in's' and/or communication reports (very informal), so we can stay abreast of how things are going in your area. Being a 'people person' is a plus!
- 4. Produce Driver** – Commit to deliver harvested produce to Hopelink at least once a week. We need individuals who can lift heavy crates filled with produce as well as collect and return produce receipts to the food bank mailbox. It is very important that produce drivers be extra dependable and reliable; needy families are counting on you!
- 5. Grounds Maintenance Crew** – Help keep the communal parts of the garden mowed, weeded and debris free. There are many 'do-it-yourself' tasks for those who are self motivated. This is a great alternative for those who cannot make it to work parties that occur mostly on weekends.
- 6. TLC Committee (Tender Loving Care)** – A group of interested gardeners who are available to help other gardeners. They will provide TEMPORARY seasonal aid & assistance to MCGA members in good standing that have unforeseen illness, surgery, or family emergencies.
- 7. Worker Bee** – Participate in our group wide work parties which are held 2-3 times a year. You can easily fulfill your volunteer commitment by signing up for 2 work parties a year (4 hours each time). Usually these occur at the beginning and end of the active growing season.

Please note, in the October elections, you may apply to be a Garden Leader – Sign up to become part of the leadership team at the garden! Volunteer to be on the board or serve as an officer. Positions include: President, Vice-President, Secretary, Treasurer and Registrar. Time commitments include monthly meetings, as well as email correspondences.

Make your choice(s) and sign the community service agreement on page 4, noting your selections.

Please keep these first 3 pages for your records.

Return completed pages 4 and 5 along with your payment.

Marymoor Community Gardeners Association

Please read and sign the following agreements and return this page with your application.

CONDITIONS OF MCGA MEMBERSHIP

I wish to join/rejoin the Marymoor Community Gardeners Association (MCGA).

I agree to the following **Hold Harmless Clause**: (required by King County Parks Department). The undersigned adult on behalf of themselves, their child and/or children, agrees to protect, defend, indemnify, and hold harmless King County and Marymoor Community Garden Association, its officers, officials, employees, and agents from any and all claims, demands, suits, penalties, losses, damages, judgments, or costs of any kind whatsoever arising out of or in any way resulting from the activities of said individual King County Park System Programs except for those acts of commissions which are the sole negligence of the County.

By my signature below, I acknowledge that I have read the rules and understand the conditions of membership in MCGA. I understand that failure to comply will result in non-renewal/non-approval of my application and/or termination of gardening privileges.

COMMUNITY SERVICE HOURS AGREEMENT

Contributing time to the maintenance of your association is the hallmark of our garden and allows us to operate. We all need your help to make the MCGA a success!

REQUIRED COMMUNITY HOURS: 8 HOURS FOR EACH FULL SIZE PLOT (10'x40') and 4 HOURS FOR EACH HALF SIZE PLOT (10'x20')

- A. Gardeners are responsible for contributing time to the collective areas of the garden; this does not include time taking care of your own garden.
- B. You must complete & record your hours on the clipboard in the Food bank or on the MCGA website.
- C. Community hours are to be **completed by the last work party of the season**, which is approximately mid **October**. *Gardeners unable to fulfill their hours, automatically have their plots returned to the rental pool on this date.*

To help us match your community service interests with garden tasks, please indicate your preferences below:

Use the Community Service Hours Preference List (page 4) and indicate your choices below (ex: "6. Worker Bee"):

1st Preference: _____ **2nd Preference:** _____

3rd Preference: _____

I agree to meet the above conditions of MCGA membership. For the number of plot(s) _____ I am renting, I also agree to contribute _____ hours and to communicate with the volunteer coordinator in a timely manner regarding approved tasks and my hours.

Paid parking is required and enforced by Marymoor Park. You may purchase a multi-month parking pass directly from King County Parks (through their website or in person by following the signs to the maintenance office at the park). You may also purchase a day pass at the entrance of the park. The MCGA board no longer purchases and distributes King County Park parking permits.

Each gardener may obtain a gardener identification decal. These will be available at the annual MCGA spring meeting (usually held in March) and at work parties held throughout the growing season. Please place the decal onto your inner left-front windshield when parking in the garden parking lot. The lot is for gardeners only, and the decal will identify you as a gardener.
